Traffic Issues!!

Lots of cars are failing to stop for children at the pedestrian crossing when it's uncontrolled. **You must stop if there is a child on either side of the crossing,** to let them cross.
 Residents of Jamell Pl are complaining of seeing risky manoeuvres when parents are setting down children.
 Please obey the road rules!
 The 1 minute stopping zone outside the school office is being ignored. Please observe the time limit in this zone.

Thank you all!

SCHOOL TRAVEL PLAN

Avonhead School has decided to take up an opportunity offered by Christchurch City Council to develop a school travel plan. The objectives of the school travel plan include improving the safety of our children's travel to and from school and encouraging our families to reduce the use of cars for school travel.

Next week we will survey your children at school and send questionnaires home to parents/caregivers to find out about how our children currently travel to and from school and related issues.
